We want to keep our club a great place to be, and a responsible member of the village. We would appreciate if you can help by following the points below.

- (i) Please be respectful when at the bar, we are a family club
- (ii) We ask that you please leave The Club quietly so as not to disturb our neighbours
- (iii) There are designated smoking areas at the side of the club, and the front of the club is to be kept clear of smoking

Thanks for your cooperation

Kindest

*Michaela and The Committee*
